SAVE THE DATE!!

April 15-19, 2007

Mandalay Bay Resort & Convention Center - Las Vegas

**Presented by Quest in partnership with OAUG and IOUG
Call for Presentations closes November 17**

**Registration is live now!
www.questdirect.org**

What is COLLABORATE?

Conference Highlights:

- 245 education sessions specific to JD Edwards and PeopleSoft users
- 5,500+ customers, Oracle representatives and solution providers
- 200+ exhibitors
- Keynotes from Oracle presidents and product general managers
- Oracle exhibit area, product demonstrations and breakout sessions
- Customer-led hot topic roundtables, panel sessions, networking
- Pre-conference event for executives
- Enhancements Day, affiliated user group and SIG meetings
- Affordable pre-conference training options
- True user conference (focus on maximizing value of current product)

COLLABORATE 07 – Register Early!

- Keynote – Oracle President Charles Phillips
 - SuperSessions - Oracle GMs Doris Wong, Lenley Hensarling and John Schiff.
 - Massive exhibitor show floor - Quest side is already 80% sold. Many more PeopleSoft vendors than last year.
 - COLLABORATE registration is now live and the early bird rate is good through March
 - If you went last year, watch for the "alumni code" coming via email to save \$200
 - All **Quest members get \$300 off** the regular rate
 - Special Group pricing for Quest corporate members who are bringing more than 4 people from their company
- ❖ **Register today at www.questdirect.org**

Quest Northeast 2007

- The SNUG along with 4 other Users Groups located in the Northeast will be working with Quest to put on the event.
- The event will be held at the Mohegan Sun in Uncasville, CT, from **July 18-20, 2007**.
- The sessions will be on Thursday, July 19 and Friday, July 20.

SAVE THE DATE!
